

## **ATTORNEY CHRIS SPESIA REPRESENTS NEW LENOX IN VILLAGE'S NEW COMMERCIAL DEVELOPMENT**

Attorney Christian G. Spesia, partner in the Joliet law firm of Spesia, Ayers & Ardaugh, recently represented the village of New Lenox in an agreement that will result in \$50 million in new infrastructure for the community.

The majority of the funding will come from sales tax generated by the development of a new commercial center, Cedar Crossings, at the junction of U.S. Route 6 and Cedar Road. These sales tax revenues will be used to pay for multiple bond issuances that will finance the public improvements.

Construction of stores at Cedar Crossings is expected to begin in 2010. The one million square foot mall is being developed by the Zaremba Group in Cleveland, Ohio.
